Leave the rest to us!

If **your car** cannot be repaired **we** will tell **you** as soon as possible. **We** will assess **your car** and provide a valuation. Once **we** have agreed the valuation **we** can make the payment to **you** by a bank transfer to help **you** get back on the road as quickly as possible.

We will give **you** regular updates on how **your** claim is going, so **you** know what to expect and when.

Excesses

What you need to pay if you make a claim

If **your car** is lost, stolen or damaged, **you** must pay the **excess** shown in **your schedule** as the first part of **your** claim. **You** must pay the **excess** that applies regardless of whether or not **you** were responsible for the accident or loss unless **you** are claiming under section 6 – Replacement locks or under section 7 – Uninsured driver protection.

An additional **excess** will also apply if the driver of **your car** is aged 24 or under or has held a full driving licence for less than 12 months. This **excess** is shown in **your schedule**.

You will need to pay **your excess** to the repairer once the repairs are completed or **we** will deduct the **excess** from any settlement payment **we** make to **you**.

Example - how your excess would work if you were in an accident and your car could be repaired:

- **Our** repairer would collect **your car** and repair the damage caused by the accident.
- They would then drop **your car** off with **you**, so all **you** have to do is pay **your excess** to **our** repairer.

Important to note

Excesses form part of **your** insurance contract and can have a direct effect on the price **you** pay.

If **you** selected a voluntary **excess**, please be aware that **you** will have to pay this on top of any other **excess** as shown in **your schedule**. This will mean **you** will have to pay a higher **excess** if **you** need to make a claim.

What we can cover you for

We will insure **you** against loss of or damage to **your car** caused by:

- accidental or malicious damage;
- fire; or
- theft or attempted theft.

We can choose to use parts or accessories which aren't supplied by **your car** manufacturer but are of a similar type and quality to the parts and accessories **we** are replacing.

If the repairs improve the condition of **your car**, **we** can ask **you** to pay part of the repair cost.

You will have to pay the repairer the total **excess** as shown in **your schedule**.

Any repairs carried out by **our** approved repairer are guaranteed as long as **you** still own **your car**.

Benefits you receive

Courtesy car

You will be provided with a small car (such as a Ford KA) with a manual gearbox while **your car** is being repaired by one of **our** approved repairers. The courtesy car will be covered under the same terms and conditions as set out in this policy. **You** must only use the courtesy car in the United Kingdom and under the approved repairer's terms of use.

Recovering your car

If **your car** is damaged and it can't be driven, **we** will pay the cost of moving **your car** to the nearest approved repairer or place where it can be stored safely. If the repairer is within the **territorial limits**, **we** will also pay the cost of returning **your car** home after it has been repaired.

Use of the wrong fuel

We will pay up to £500 for draining and flushing **your car's** fuel tank if **you** have accidentally used the wrong fuel. This cover includes replenishing the tank with up to 10 litres of the correct fuel so **you** can continue **your** journey.

You and your passengers

We will make sure that **you** and **your** passengers are taken to a safe place if **your car** can't be driven after an accident.

Storage

We will pay for storage charges for **your car** as long as **you** have told **us** about them beforehand and **we** have agreed that they are reasonable.

Audio equipment or sat-nav equipment

We will pay the cost of repairing or replacing audio or satellite navigation equipment that was permanently fitted as standard when **your car** was first registered. **We** will pay up to £750 for permanently fitted audio equipment and sat-nav equipment that was not fitted to **your car** when it was first registered.

Important to note

Don't get caught out - **you** must provide a police crime reference number if **you** want to claim for loss or damage as a result of theft, attempted theft or malicious damage.

What we can cover you for

We will insure **you** against loss of or damage to **your car** caused by:

- accidental or malicious damage;
- fire; or
- theft or attempted theft.

If **we** choose to make a cash payment to settle **your** claim, the most **we** will pay is the **market value** of **your car** (as it is at the time of the loss or damage).

If **you** are paying for **your car** under a finance agreement, **we** will first pay the finance company and then pay any amount that is left over to **you**.

If **your car** is leased or on contract hire, **we** will pay the lease or contract hire company the amount required to settle the agreement or the **market value** of **your car**, whichever is less.

Any payment **we** make will be less the total **excess** as shown in **your schedule**.

If **your car** is a **total loss**, and has a private registration number plate, **we** will give **you** 30 days from the date a settlement value is agreed to transfer that private registration number onto a DVLA Retention Certificate in **your** name. If **you** do not tell **us** that **you** want to keep the private registration number plate, **we** will dispose of it with **your car**.

Benefits you receive

We will make sure that **you** and **your** passengers are taken to a safe place if **your car** can't be driven after an accident.

Storage

If **your car** is less than 12 months old and **you** have owned **your car** from the date of first registration, **we** will replace **your car** with a new one of the same make, model and specification if available in the **territorial limits** if **your car**:

- has been stolen and not recovered; or
- has been damaged and the cost of repairing **your car** is more than 55% of the list price including taxes.

If **you** are still paying for **your car** under a finance agreement, **we** will need the finance company's permission to settle the claim in this way.

If a new car of the same make, model and specification is not available in the **territorial limits**, **we** will settle **your** claim by giving **you** a cash payment.

Your no-claims bonus

How your no-claims bonus works

If **you** make a claim even if **you** were not responsible, (for example if **your car** is stolen or damaged by vandals) this will affect **your** no-claims bonus. **You** could lose part or all of **your** no-claims bonus. If a claim is made on **your** policy **your** price or **excess** may increase at renewal.

We will not reduce **your** no-claims bonus if the damage to **your car** was caused by an uninsured driver (as long as the conditions set out in section 7– Uninsured driver protection, are met).

We apply a step-back policy that reduces **your** no-claims bonus for each claim made when **you** renew **your** policy, depending on the claim or claims made. For an example of what would happen if a claim is made on **your** policy within the **period of insurance** please see the table below.

Example – how your no-claims bonus (NCB) would be affected at renewal if you made a claim or claims during the period of insurance

Number of years' no-claims bonus currently available (without NCB protection)	No-claims bonus at the next renewal (without NCB protection)		
	No claims	One claim* within the policy period	Two or more claims* within the policy period
0	1	0	0
1	2	0	0
2	3	0	0
3	4	1	0
4	5	2	0
5	6	3	0
6	7	4	0
7	8	5	0
8	9	6	0
9	10	7	0

*Note: in the table above a claim is where **we** have made payment for any loss, damage or injury to a third party or where any costs paid for damage to **your car** cannot be, or have not yet been, recovered.

Your no-claims bonus

If you have chosen to protect your no-claims bonus

Protecting **your** no-claims bonus allows **you** to make a claim without **your** no-claims bonus being reduced.

If **you** have chosen to protect **your** no-claim bonus this will be shown on **your schedule**, and **you** will only lose **your** no-claims bonus if **you** make more than two claims in a three-year period. If a claim is made on **your** policy **your** price or **excess** may increase at renewal.

The table below shows how **your** no-claims bonus would be affected if a claim is made and **you** have chosen to protect **your** no-claims bonus.

Example – how your no-claims bonus (NCB) would be affected at renewal if a claim is made during the period of insurance

Number of years' no-claims bonus currently available (with NCB protection)	No-claims bonus at the next renewal (without NCB protection)			
	No claims	One claim* within the policy period	Two claims* within the policy period	Three claims* within the policy period
4	5	4	4	2
5	6	5	5	3
6	7	6	6	4
7	8	7	7	5
8	9	8	8	6
9	10	9	9	7

*Note: in the table above a claim is where **we** have made payment for any loss, damage or injury to a third party or where any costs for damage to **your car** cannot be, or have not yet been, recovered.

Important to note

If **you** have a minor incident with another person, but **you** are not claiming for the damage or loss to **your car**, another person may still make a claim against **your** policy. In these circumstances **we** may not allow **your** no-claims bonus until **we** are confident no claim will be made.

Cancelling your policy

If you cancel your policy

If **you** cancel **your** policy within 14 days of buying it or receiving **your** documents (whichever happens later), **we** will refund the amount for the exact number of days left on **your** policy. If **you** choose not to renew **your** policy, **we** will not charge **you** for the renewal period, as long as **we** receive **your** cancellation instructions before **your** renewal is due.

You may cancel **your** policy at any other time by calling **us** on 03300 240 612, emailing **us** at customerservice@car.johnlewisfinance.com or writing to **us** at John Lewis Finance, PO Box 887, Halifax, HX1 9UE. If **you** have paid for **your** policy in full, by a single payment, **we** will refund the exact number of days left on **your** policy less an administration charge of £40.

If **you** have chosen to pay for **your** policy by instalments to spread the cost **you** must continue to pay **your** monthly direct debit. **We** will refund any overpayment less an administration charge of £40.

If any claim has been made by **you** or against **you** in the current **period of insurance**, **we** will not refund any amount **you** have paid and the full amount will become payable if **you** are paying by instalments.

When we may cancel your policy

We may cancel **your** policy by sending **you** seven days' written notice to **your** last known address if **we** have a good reason for doing so. Some examples of situations where **we** might do this include:

- **you** not making a payment for **your** insurance policy, including any monthly instalments under a credit agreement, when it is due;
- **you** not providing **your** proof of no-claims bonus or security;
- **you** providing **us** with incorrect information, and failing to put this right when **we** ask **you** to;
- **you** using threatening or abusive behaviour or language, or being intimidating towards **our** staff or suppliers.

If **we** cancel **your** policy at any other time, **we** will refund the amount for the exact number of days left on **your** policy (if this applies), less an administration charge of £40. If any claim has been made by **you** or against **you** in the current **period of insurance** or a claim has been made against **you**, **we** will not provide a refund.

If **we** cancel **your** policy on the grounds of fraud, the cancellation may be immediate and **we** may keep any amount **you** have paid. **We** may also tell the police of the circumstances.

If **you** or **we** cancel this policy and **you** have bought Motor Legal Protection or Breakdown products, these products will automatically be cancelled.

General exclusions

This policy will not provide cover or benefits under the following circumstances:

When we really can't cover you

We will not pay for any loss, damage or liability which arises while **your car** is being:

- used for a purpose which is not allowed by the current **certificate of insurance** (for example, racing);
- driven by, or is in the charge of, a person who has **your** permission to drive and who is not an **insured driver** (anyone not named on the policy);

- driven by a person who is not keeping to the conditions of the driving licence they hold or are entitled to hold (for example, someone driving a car on a provisional licence without having a qualified driver with them);
- driven by a person who has previously been disqualified from driving and has not reapplied for and received their licence from the issuing authority;
- used to take part in a crime (unless **your car** has been stolen);

We will not pay for any loss, damage or liability which is the direct or indirect result of the following.

- A deliberate act by anybody insured under this policy;
- War, revolution or any similar event;
- Actual or threatened terrorism or any similar event, or action to control, prevent or stop any terrorist event.
(Terrorism is any illegal action involving violence, force or danger to people or property that appears to be intended to:
 - cause fear among the people of a country or state;
 - disrupt any part of the economy of a government, country or state; or
 - affect the policy or conduct of a government.)
- Earthquake, riot or civil disturbance outside Great Britain, the Isle of Man or the Channel Islands;
- Ionising radiation or radioactive contamination from any nuclear fuel or from nuclear waste;
- The radioactive, poisonous, explosive or other dangerous properties of any explosive nuclear equipment or any part of it;
- Pressure waves caused by aircraft or other flying objects travelling at or above the speed of sound (this normally affects people who live near to airports or military bases);
- Anything harmful contained in any goods or property being towed by, carried on, supplied from, loaded on, or unloaded from **your car**;
- Any harmful or incorrect medical treatment or help given at or from **your car**.

However, **we** will provide the cover needed under the **Road Traffic Acts** for the events shown above.

General exclusions

This policy will not provide cover or benefits under the following circumstances:

When we really can't cover you

We will not pay for any legal liability which arises under a contract or agreement unless the person, company or firm claiming cover under this policy would have had that liability if the contract or agreement had not existed.

We will not pay for any loss, damage or liability for which legal proceedings have been brought or judgement given in a court outside the United Kingdom, unless the proceedings or judgement are in a foreign country because **your car** was being used in that country and **we** had agreed to provide insurance in that country.

We do not cover any loss, damage or liability arising from an incident if **you** or anyone insured under the policy is convicted of driving whilst under the influence of alcohol or drugs. **We** reserve the right to recover from **you** any amounts which **we** pay before such conviction or which **we** are required to pay by law.

General conditions

Please make sure you read this page

Your duty

We will only provide the insurance cover set out in this policy if:

- you keep to the conditions of the policy; and
- the **statement of fact** does not contain any fact or declaration which is not true to the best of your knowledge.

Changes in circumstances

You must tell us, as soon as possible, about any change in circumstances as this could affect your insurance cover.

Examples of these changes are:

- any changes to your car, including engine modifications and changes such as fitting alloy wheels, spoilers or skirts;
- any problem to do with the health of any person who will drive your car;
- a motoring accident, insurance claim, motoring conviction or fixed penalty offence involving any person who will drive your car;
- a change in ownership of your car;
- a change in use of your car;
- if any insured driver changes jobs;
- changes to your address or the address where your car is usually kept; and
- changes to the number of vehicles owned or regularly driven by you or by members of your family who live with you.

If a person whose details you have not already given us is likely to drive your car, you must give us their full details.

These changes may lead to an increased or refunded premium and you will have to pay an administration charge. Please see your schedule for fees that apply.

Please tell us, as soon as possible, if there are any changes to any of details you have provided us with, that are shown on your statement of fact.

Other insurance

If any other insurance policies cover the same loss, damage or liability as this policy, we will only pay our share of the amount of the claim.

Taking care of your car and any trailer or caravan towed by your car

You must take all reasonable steps to:

- prevent loss of or damage to any vehicle insured by your policy;
- keep your car and any trailer or caravan towed by your car in a safe and roadworthy condition;
- Make sure any Advanced Driver Assistance Systems fitted by the manufacturer are calibrated and updated to the manufacturer's standard (Some examples of ADAS are electronic stability control, anti-lock brakes, lane departure warning, adaptive cruise control and traction control).

Our right to recover a payment from you

If we have to settle a claim under the law of any country and we would not have paid that claim under the terms of the policy, we can recover from you the amount of any payment we have had to make.

Fraud

We will not pay for any claim you make that is dishonest or exaggerated, or if you or any insured driver makes a false statement or provides false documents to support a claim. If this applies, we may also tell the police and your policy may be cancelled, as shown under 'Cancelling your policy' on page 24.

General conditions

Please make sure you read this page

Claims procedure

After any loss, damage or accident, **you** and any person insured by this policy must:

- report the incident to **us** as soon as possible by phoning **our** Claims Helpline on **03300 240 613**;
- give **us** all the information and help that **we** ask for, including all details of anyone else involved;
- send **us** every letter, claim, or legal document immediately without answering it; and
- tell **us** immediately if there is to be a prosecution, inquest or other court proceedings.

Defending or settling a claim

You must not admit liability for any loss or damage, or make any offer to pay any claim. **We** are entitled to decide exactly how to carry out any legal proceedings or settle any claim and to:

- take over and defend or settle any claim in the name of any person, company or firm insured by the policy; and
- take legal action in **your** name, or in the name of any person, company or firm insured by the policy, to get back any payment **we** make.

Car sharing

This policy does not insure anyone to use **your car** for hire or reward. However, if passengers in **your car** make a payment towards the cost of a journey, **we** will not class this as use for hire or reward if:

- **your car** is not designed or adapted to carry more than seven people including the driver;
- the passengers are not being carried in the course of the business of carrying passengers; and
- the total of the payments made by all the passengers does not include a profit.

Service and repair

This policy will continue to provide insurance cover for **you** under policy section 2 while **your car** is with motor traders or their employees being serviced or repaired. (**We** will ignore any restriction in use on **your certificate of insurance** which excludes use for motor-trade purposes under these circumstances.)

However, the insurance cover for other people, companies or firms referred to in section 2 will not apply.

Other sections of the policy which apply for the type of cover shown in **your schedule** will also continue to apply if **your car** is being driven by an **insured driver** or is not being driven at the time of the incident.

Paying for your insurance

If **you** have not paid for **your** insurance policy in full and **you** make a claim under this policy, **we** may deduct the amount **you** still owe from the amount **we** pay to settle the claim.
